

| Allele * | Comments |
|-------------------------------|--|
| A*24:10:01 | Allele name was extended through the addition of an extra polymorphic field since publication. |
| A*24:10:02 | Allele name was extended through the addition of an extra polymorphic field since publication. |
| A*68:27:01 | Allele name was extended through the addition of an extra polymorphic field since publication. |
| A*68:27:02 | Allele name was extended through the addition of an extra polymorphic field since publication. |
| A*80:01:01:01 | Allele name was extended through the addition of an extra polymorphic field since publication. |
| A*80:01:01:02 | Allele name was extended through the addition of an extra polymorphic field since publication. |
| B*13:08 | Q designation removed, allele still considered common well documented. |
| B*13:12:01 | Allele name was extended through the addition of an extra polymorphic field since publication. |
| B*13:12:02 | Allele name was extended through the addition of an extra polymorphic field since publication. |
| B*15:24:01 | Allele name was extended through the addition of an extra polymorphic field since publication. |
| B*15:24:02 | Allele name was extended through the addition of an extra polymorphic field since publication. |
| C*04:03:01 | Allele name was extended through the addition of an extra polymorphic field since publication. |
| C*04:03:02 | Allele name was extended through the addition of an extra polymorphic field since publication. |
| C*05:04:01 | Allele name was extended through the addition of an extra polymorphic field since publication. |
| C*05:04:02 | Allele name was extended through the addition of an extra polymorphic field since publication. |
| C*07:17:01 | Allele name was extended through the addition of an extra polymorphic field since publication. |
| C*07:17:02 | Allele name was extended through the addition of an extra polymorphic field since publication. |
| DQB1*02:02:01 | Allele name was extended through the addition of an extra polymorphic field since publication. |
| DQB1*02:02:02 | Allele name was extended through the addition of an extra polymorphic field since publication. |
| DQB1*06:09:01 | Allele name was extended through the addition of an extra polymorphic field since publication. |
| DQB1*06:09:02 | Allele name was extended through the addition of an extra polymorphic field since publication. |
| DPB1*09:01:01 | Allele name was extended through the addition of an extra polymorphic field since publication. |
| DPB1*09:01:02 | Allele name was extended through the addition of an extra polymorphic field since publication. |
| DPB1*13:01:01 | Allele name was extended through the addition of an extra polymorphic field since publication. |
| DPB1*13:01:02 | Allele name was extended through the addition of an extra polymorphic field since publication. |
